

2013 AMI Monetary Reform Conference Video Set - Order Form

The full conference video set, featuring over twenty-four hours of exceptional monetary presentations from some of the world's most knowledgeable people in their respective areas, is now available for **\$188** donation fee. The videos come pre-loaded onto an external USB storage drive that is compatible with any computer. Only 100 GB of data is taken up from the videos, resulting in another **400 GB** of storage space for related notes, articles, video, anything! Donation fee includes shipping and handling.
