

2012 AMI Monetary Reform Conference Video Set - Order Form

The full conference video set, featuring over twenty-four hours of exceptional monetary presentations from some of the most knowledgeable people in the world, is now available for **\$144** donation. The videos come pre-loaded onto an external USB storage drive that is compatible with any computer. Only 100 GB of data is taken up from the videos, resulting in another **200 GB** of storage space for related notes, articles, video, anything! Donation includes shipping and handling.

Send me videos of the entire 2012 AMI Monetary Reform Conference
